

SEASIDER BISTRO + WINE BAR + PATIO-----OUR COMMITMENT TO YOU

On behalf of the Seaside Bistro, I want to take a moment to thank you the community for your extraordinary support as well as the staff that work with us to go above and beyond for every customer. Over the past weeks and months we have faced some of the most difficult challenges any of us have ever experienced and as we move forward we will have more hurdles and challenges ahead but we are committed to trying our very best.

As our community starts to reopen, we wanted to update you on our plans for opening the doors again. We want to stress that importance of your health and safety, and that of our employees. As we slowly start to open and find a new normal every decision we make will be with people first. Throughout this crisis we have followed the guidance of our local health authorities and we will continue to look to these authorities for guidance as we move forward over the coming weeks and months.

We will be practicing the following safety measures, building upon the rigorous and strict sanitation standards already in place. The list will include but not be limited to the following:

Masks will be worn by employees at all times within the restaurant and all employees will follow strict hygiene protocol at all times.

Employees will undergo health checks before entering the restaurant. If they present signs of illness they will not enter the building.

Stringent Hygiene Protocol training has been implemented for all employees.

Hand sanitizer will be made available to guests visiting our restaurant and will be required to use it.

Groups will be sat six feet apart with a maximum of 6 people per table both in the restaurant and on the patio.

All surfaces within the restaurant will be sanitized thoroughly between each use.

Washrooms will be cleaned more often with an inspection and cleaning sheet posted inside.

Single use menus will be provided or if guests prefer, they may view our entire menu online.

Guests will be asked to maintain physical distancing (6 feet apart).

We ask that guest pay their bill at the table so the hostess station is overwhelmed with line ups.

We know these measures will make our restaurant look a little different than people are used to, but we are committed to safety first. Our commitment to bringing you fresh delicious food that you enjoy has not changed.

For those of you who aren't ready to dine with us yet, you can still enjoy our full menu for take out. If and when you choose to dine with us, we want you to know that we are doing everything we can to make you feel as safe as you do at home.

Our guests and employees are an extension of our family and our business is nothing without our community support, so we would like to sincerely thank you for your unwavering support during these unprecedented times.

We hope to see you soon and often!

Sharon Willis
General Manager
